

Project Number	8	Priority	High
Title of activity	ASGSA-Distinguished Lecturer Series - Fall		

Purpose of activity

To bring in a distinguished scientist from another university for two days to give seminars and meet with graduate students and faculty throughout the Animal Sciences department during the fall semester.

List the benefits to the State, the University and/or your organization

Bringing in a distinguished lecturer for two days provides graduate students an opportunity to learn from someone who is very accomplished in their field of research. While the distinguished lecturer is here, there are many opportunities to meet with lab groups.
