

Project Number	15	Priority	Medium
Title of activity	Agronomy and Soils Club--Bi-weekly Club Meetings		

Purpose of activity

To foster a network of students in a learning environment through speakers, activities, and sharing meals at the meetings.

List the benefits to the State, the University and/or your organization

The Agronomy and Soils Club is a very active club within ALSCC. This would allow for more students to become involved with this active organization and allow for more networking.

Project Number	16	Priority	High-1
Title of activity	Agronomy and Soils Club- Maintenance of AG Gardens		

Purpose of activity

To provide any UF student the opportunity to experience farming first hand on UF's campus. This also helps to maintain the gardens for student use.

List the benefits to the State, the University and/or your organization

These gardens provide an area for students to grow their own produce and to demonstrate different farming techniques.

Locale of Project

UF- by the Bat House across from Lake Alice
