

Project Number	45	Priority	High
Title of activity	SAFE- Guest Speaker		

Purpose of activity: Bring regional speaker (suggested: Kevin Robertson, Fire Ecology Research Scientist, Tall Timbers Research Station) to campus to share information about current research.

List the benefits to the State, the University and/or your organization: Provide an opportunity for students and others to learn about current research in fire ecology and provide an opportunity for networking. Provide opportunities for small group and individual meetings.
