September 29, 2006  
Submitted by James Fant  

Chair: Richard Miles, Members: Anita Wright, Lisa House, Karen Kainer, Lyn Branch, Shannon Washburn, Adegbola Adesogan, Kevin Folta, Elaine Turner (exoficio) and Sarah Cathey  

Members Present: Richard Miles, Lisa House, Karen Kainer, Shannon Washburn, Adegbola Adesogan, Kevin Folta and Sarah Cathey  

Call to Order: The College of Agricultural and Life Sciences Curriculum Committee met on September 29, 2006 in Animal Sciences Building 499 room 102. Dr. Richard Miles, Chairman, called the meeting to order at 2:05.  

Introduction / Remarks: Dr. Miles welcomed back former committee members and introduced new member, Sarah Cathey. Dr. Miles read greeting from Elaine Turner who was unable to attend.  

New Graduate Course Proposals  

1. FYC 6224 – Resilience and Positive Youth Development in the Contemporary Context  
   This proposal was approved pending a minor revision to the syllabus. The proposal will be forwarded to the UFCC for university and state approval.  

2. FYC 6231 – Theories of Youth Development  
   This proposal was approved pending additional information and minor revision to current syllabus. The committee requests correspondence from the College of Education to make sure there are no conflicts with EDF 6113 – Educational Psychology: Human Development. Proposal is approved only with documented correspondence. If any changes are made to the syllabus based on the correspondence the committee will require resubmission. If there are no changes the proposal will be forwarded to the UFCC for university and state approval.  

3. FAS 5XXX – Introduction to Fish and Shellfish Histological Interpretation  
   This proposal was discussed by the committee and it was determined that more information is required. Once the revisions are made the committee will reconsider the proposal.
4. FAS 6XXX – Aquatic Invertebrate Ecological Physiology
   The above proposal was discussed by the committee and it was determined that more information is required. Once the revisions have been submitted the committee will reconsider the proposal.

5. FYC 6111- Families and Violence
   This proposal was approved pending minor updates to the syllabus. The proposal will be forwarded to the UFCC for university and state approval once the revisions have been made.

6. PLS 5XXX – Principles of Pesticide(s)
   This proposal was approved pending changes to the syllabus. The proposal will be forwarded to the UFCC for university and state approval once the changes have been made.

Graduate Course Change Proposal

7. FAS 5901 – Aquatic Research and Science
   Proposed title change – Foundations of Critical Thinking in Ecology
   This proposal was approved pending some minor updates to the syllabus. The proposal will be forwarded to the UFCC for university and state approval.

Undergraduate New Course Proposal

8. FAS 4933 – Seminar in Fisheries and Aquatic Sciences
   This proposal was brought before the committee and discussed. It was determined that more information will be required. When updated information is received the proposal will go back to the committee.

Undergraduate Course Change Proposal

9. FAS 4405C – Principles of Aquaculture
   Proposed title change – Aquariums, Water and Aquaculture
   This proposal was discussed and approved by the committee pending minor changes to the syllabus. Once the changes have been made the proposal will be forwarded to the UFCC for university and state approval.
Addition to Agenda – Previous Business

10. ORH 3XXX – Introduction to Ecosystem Restoration
    This proposal was previously brought before the committee and changes were requested. The changes have been made and the proposal has been approved and will be forwarded to the UFCC for university and state approval.

Conclusion

The meeting was adjourned at 4:00
