Call to Order: The College of Agricultural and Life Sciences Curriculum Committee met on February 9, 2007 in Animal Sciences Building 499 room 102. Dr. Richard Miles, Chairman, called the meeting to order at 2:05.

Approval of Minutes: The minutes from the January 5, 2007 CALS CC meeting were approved.

Undergraduate - Course Change Proposal

1. HOS 4281C – Advanced Organic and Sustainable Crop Production
   This proposal was reviewed and unanimously approved by the committee with one minor revision. A spelling error needed to be corrected. The change was made and a new syllabus was submitted and forwarded to the UCC for university and state approval.

Proposed Curriculum Changes / Topics for Discussion

2. Modifying the Upper Division component of the Geomatics major.
   SFRC was represented by Dr. George Blakeslee.
   The proposal to modify the upper-division curriculum for Geomatics was approved as submitted and will be forwarded to the UCC for university approval.

3. Concentration in Family and Youth Development / Masters Level
   The proposal was approved pending clarification for three things: 1) the number of credits for courses listed, 2) that the MFYCS degree is a non-thesis degree, and 3) that the requirements for the concentration are only coursework. Clarification will be sought from FYCS and then the proposal will be forwarded to Graduate Council for approval.
4. CALS college-wide course requirements
Revision to the college-wide course requirements was accepted as proposed by CALS CC at the CALS Faculty Meeting on 2-1-07. The final version of the proposal will be distributed to CALS CC members.

Conclusion

The meeting was adjourned at 2:45
