Approval of Minutes: The minutes from the September 14, 2007 CALS CC meeting were approved.

Graduate - New Course Proposal

1. AOM5XXX – Safety Management
This proposal received a majority of votes for approval. However, the committee has decided that some valid concerns were raised and that the proposal should be resubmitted for consideration at a later date. A list of these concerns was forwarded to the department to be addressed.

Graduate – Course Change Proposal

2. AGR6311 – Population Genetics
Committee concerns were sent from Dr. Washburn directly to Dr. Kevin Kenworthy. When a resubmission is received it will be forwarded to the Graduate Curriculum Committee for university and state approval. The CALS CC will be informed of any changes to the submission.

Proposed Curriculum Changes

3. Proposed new track – Restoration Horticulture
The proposal for a new track of Restoration Horticulture for the Landscape and Nursery Horticulture degree was approved by the committee and will be forwarded to the University Curriculum Committee for university and state approval.

4. Change in Wildlife Ecology and Conservation curriculum
This proposal was approved and will be forwarded to the UCC for university and state approval.
