CALS Curriculum Committee Meeting  
April 20, 2012  
Submitted by James Fant

Guests: Andrew Thoron (for Stedman)  
John Capinera  
Rosemary Loria  
Jane Polston

Call to Order: The College of Agricultural and Life Sciences Curriculum Committee met on April 20, 2012 in Rm. 1031A McCarty Hall D. Dr. Al Wysocki called the meeting to order at 2:02 p.m.

Previous agenda items and supporting material can be found on the CALS Curriculum Committee homepage under archived information:  
http://www.cals.ufl.edu/faculty_staff/curriculum_committee.shtml

Approval of Minutes: A motion was made by Dr. Porter to approve the minutes from the March 23, 2012 meeting of the CALS CC. The motion was approved.

All items approved by the committee will be forwarded to either the Graduate Curriculum Committee (GCC), Graduate Council (GC) or the University Curriculum Committee (UCC) once any changes requested are made and the submission is complete.

Update from UCC  
Dr. Turner reported that all CALS items on the UCC agenda for April 17 were approved as submitted. These included the name change for AEB2451 and the three new courses for the CALS Leadership Institute. The name change for the PhD in Food Science and Human Nutrition to PhD in Food Science was approved by Graduate Council on March 15 and reviewed by UCC as an information item. Dr. Turner also reviewed the changes to the www.approval.ufl.edu system.

Graduate New Course Proposals

1. ENY 5XXX – Insects as Vectors of Plant Pathogens  
(Previously submitted 3/23/2012)  
A motion was made by Dr. Porter to approve this item as submitted. The motion was approved with Dr. Bartz abstaining. Representatives from the Department of Plant Pathology were present to express concerns regarding syllabus terminology, course prerequisites and
organization of topics. Those concerns were accepted by the submitting department and will be
given to the instructor for consideration.

2. ENY 6XXX – Advanced Mosquito Biology
   (This item was reviewed and voted on with item #3)
   A motion was made by Dr. Gutter to approve these items with clarifications requested.
The motion was approved. The number designation needs to be confirmed (5000 on UCC form,
6000 on syllabus). The graduate syllabus requires clarification of assignments and grading (esp.
the number of discussions). The evaluation criteria should be tied to the grading scale on both
syllabi. Clarify which readings will be on Sakai and whether or not the recommended texts will
be available on reserve.

Undergraduate New Course Proposal

3. ENY 4XXX – Mosquito Biology
   See item #2.

Undergraduate Course Change Proposal

4. AEC 4942 – Agricultural Education Internship
   A motion was made by Dr. Gutter to approve this item as submitted. The motion was
approved.

Academic Learning Compacts

5. AEC: Revisions to Student Learning Outcomes
   A motion was made by Dr. Schneider to approve this item as submitted. The motion was
approved.

Undergraduate Certificate Proposals
   (Items #6 through #9 were reviewed and voted on together)

6. Certificate in Pest Control Technology
7. Certificate in Landscape Pest Management
8. Certificate in Medical Entomology
   A motion was made by Dr. Gutter to approve all four items as submitted. The motion was
approved.

Curriculum

10. AEC Curriculum Revisions
    A motion was made by Dr. Kaufman to approve this item as submitted. The motion was
approved.
11. Proposal for Doctor of Philosophy in FYCS
   A motion was made by Dr. Gutter to approve this item as submitted. The motion was approved.

Conclusion
The meeting was adjourned at 3:40 p.m.
