Each year, participating agricultural colleges across the nation provide data to summarize entry-level salaries of recent graduates of their programs. The information is useful to help illustrate industry trends and provide appropriate baselines for both students and employers. The summary, which is coordinated by Iowa State University, includes information collected by career services offices from December 2022 and May 2023 undergraduates. After the data are tabulated, the summary is finalized in August of each year and disseminated to contributing schools for appropriate use. This year, the participating universities were:

Auburn University – College of Agriculture
 Clemson University – College of Agriculture, Forestry and Life Sciences
 Iowa State University – College of Agriculture and Life Sciences
 Kansas State University – College of Agriculture
 Michigan State University – College of Agriculture and Natural Resources
 North Carolina State University – College of Agriculture and Life Sciences
