

CALS Fast Facts for Employers

Mission

The mission of the College of Agricultural and Life Sciences is to deliver unsurpassed educational programs that prepare students to address the world’s critical challenges related to agriculture, food systems, human wellbeing, natural resources and sustainable communities.

Why Choose CALS?

As the fourth largest college at the University of Florida and the fourth largest college of agriculture and related sciences in the United States, CALS is an educational leader in the areas of food, agriculture, natural resources and life sciences. Our students have a wide variety of interests ranging from traditional agriculture and social sciences to natural resources, the environment and more traditional core sciences.

Employer Resources

In addition to the services offered by the University of Florida Career Resource Center (www.crc.ufl.edu), the College of Agricultural and Life Sciences offers employers the following resources:

- CALS Career Expo, held each February
- Promoting job postings
- Connecting employers with advisers
- Connecting employers with classroom speaking opportunities and student organizations
