

WRITING OBJECTIVES: PRACTICE

Remember to be SMART: *specific, measurable, achievable, relevant, and time-bound*.

And remember to use the ABCDs:

After reviewing this page, instructors will be able to write learning objectives using ABCD structure.

Use the example row as a model for your own objectives and fill in the columns.

CONDITION	AUDIENCE	BEHAVIOR	DEGREE (can be optional)
After completing this course,	students	will will be able to [+ verb]	according to with a score of using etc
