

Transferring files to/from the CALS Virtual Computer Lab via Internet Explorer

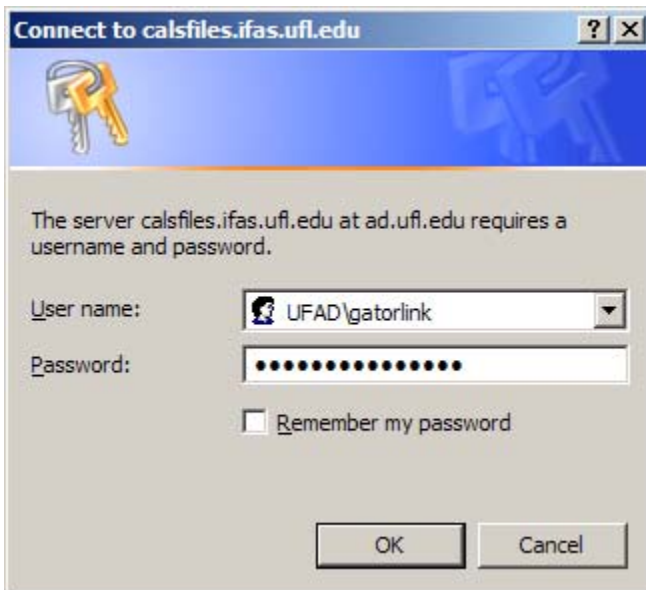

Open Internet Explorer and connect to <http://calsfiles.ifas.ufl.edu> as shown below:

Click the "STUDENTS" folder link.

A dialog box will pop up asking for your credentials. Enter your GatorLink credentials as shown below

AND be sure to prefix your GatorLink account with "UFAD\"!!!!!!!!

A webdav folder will pop up that will give you upload and download access to your files:
