The Teaching Section

For non-tenure-track faculty with 0% budgeted teaching FTE, consult with your unit leader about expectations depending on whether or not you chair graduate student committees.
The Teaching Section

The new course evaluation system will populate the summary table by taking the average of the means for six questions about the instructor and the average of means for four questions about the course. The instructor and course numbers came from questions 10 and 20, respectively, in the old student course evaluation system.

If you are missing any numbers use an asterisk (*) and provide an explanation.

**Individual Course Evaluations (new)**

8. Student evaluations of teaching

This section will auto-populate with results for 11 questions from the new evaluation system (beginning Fall 2019) and questions 1-10 for courses evaluated under the old UF course evaluation system. In the heading provided for each course, indicate whether or not the course was team taught (and the percentage for which you were responsible), the mode of delivery (classroom, online, distance learning context) and whether the course was required. (Required courses are General Education courses, or those required for a particular major). See examples below.
