

CALS Honors Program Honors Course Contract

Student Name (*Please print*) _____ UFID _____ email _____

Course Number and Title _____

Instructor Name (*Please print*) _____ email _____

Please attach: (1) a brief description of proposed honors work for the student named above, addressing the questions below, and (2) the syllabus of the regular course. If there is a syllabus for honors students, simply attach that instead.

1. How is the proposed honors work related to the content of the regular coursework?
2. How does the proposed honors work intellectually challenge the student and require independent learning, and how does it enhance the understanding of the regular course material?
3. A minimum of 20% of the student's course grade must be derived from honors course work; please show the grading scale or rubric used to evaluate honors students.

We agree to the proposed honors work as provided in the description. We understand that this contract is subject to approval by the Departmental Honors Coordinator and CALS Honors Program Director.
