UF IN QUITO & THE GALÁPAGOS ISLANDS
TROPICAL ECOLOGY & NATURAL RESOURCE CONSERVATION | FALL: AUGUST 4-DECEMBER 2, 2023 (TENTATIVE)

**PROGRAM**
In this program, students select courses from one of four Academic Tracks in the biological and social sciences: (1) Evolution, Ecology & Conservation, (2) Marine Ecology; (3) People, Politics & the Environment (4) Sustainable Tourism. Each academic track consists of five intensive 3-credit courses taught in 3-week modules that combine in-class learning with field excursions. All courses are taught in English. Students will learn about Ecuador’s amazingly diverse land- and seascapes with visits to the Amazon rainforest, the Andean Mountains, and the Galapagos Islands. Students will live and take courses on the main USFQ campus at Cumbayá (near Quito), at Tiputini Biodiversity Station, and on San Cristobal Island, Galápagos. Students in all tracks also take a required Spanish conversation class (1 credit). Volunteer placements (non-credit) in San Cristobal are also available.

**LOCATION**
Quito, Galápagos Islands, Tiputini Biodiversity Station in the Amazon

**EXCURSIONS**
Module 1-2: Quito city tour, and visits to surrounding tropical ecosystems including the Tiputini Biodiversity Station in the Amazon, the Ecuadorian cloud forest; and the high-elevation páramo grassland; Modules 3-5: Multiple field excursions from the campus on San Cristobal Island while in the Galápagos Islands.

**HOUSING**
Host families in Cumbaya (Quito) and Galápagos (San Cristobal Island). Hotels and hostels for field excursions.

**COURSE INFORMATION**
- WIS 4934: Tropical Ecology & Climate Change (3 UF GPA credits)
- Spanish Conversation (1 Transfer credit)

In addition, students will take up to 4 other courses taught in 3-week modules from the 4 tracks at Universidad San Francisco de Quito (3 Transfer credits each). Courses can be viewed at [www.usfq.edu.ec/en/opi/galapagos-semester-program](http://www.usfq.edu.ec/en/opi/galapagos-semester-program)

**Total Number of Credits Offered:** 13-16

**COLLEGE INFORMATION**
College of Agricultural & Life Sciences
Department of Wildlife Ecology & Conservation
Courses are taught by UF and USFQ faculty
