CITIES IN CIVILIZATION | SUMMER A: MAY 19 - JUNE 22, 2024

PROGRAM
Cities are the engines of cultural creativity and technological innovation. This program will explore and seek to understand why and how cities continue to catalyze the growth of human civilization, from ancient Rome and the Italian Renaissance, to modern culture and technologies. Spend 5 weeks traveling from London to Rome with ~5-day stops in Paris, Berlin, Vienna, and Florence.

LOCATION
This program takes place in multiple European countries: London, UK; Paris, France; Berlin, Germany; Vienna, Austria; Florence, Italy; and Rome, Italy. The program starts in London and travels by train to each city, ending in Rome.

EXCURSIONS
This program includes many tours of key technological and cultural innovations and historical milestones, including the Globe Theater, Louvre, Chartres Cathedral, Sachsenhausen, Schönbrunn Palace, Uffizi, and Vatican. The program will travel as a group across Europe, from London to Rome. You will cross the English Channel and take an overnight train from Vienna to Florence.

HOUSING
Student accommodations throughout the program vary depending on location; in London you will stay in a student residence hall, in Paris and Vienna you will stay in a hostel, and in Berlin, Florence, and Rome you will stay in hotels. In each location, rooms will be shared with another student on the program.
