UF in Greece (Ikaria) & Italy (Sardinia)

FOOD & CULTURE | SUMMER A: (June 1-10)

PROGRAM
This 6-credit course includes a 2-week food, culture/lifestyle, and culinary experience in two of the five “Blue Zones” of the world, Ikaria, Greece, and Sardinia, Italy, where people live active and productive lives into their 90’s and beyond. You will experience the “Blue Zone” lifestyle and food habits and discover the unique flora of these beautiful islands as you hike through a forest with a trained guide to forage for herbs and other wild foods that grow in plenty – foods that are purported to contribute to the longevity of Ikarians and Sardinians. Visit: www.bluezones.com for a glimpse at the program experience.

LOCATION
Ikaria is one of the Greek Isles located about 55 minutes by plane from Athens, Greece. Sardinia is the second largest island in the Mediterranean Sea, and it centered between Italy and France. Both islands are diverse in landscape with rugged mountains and picturesque shorelines lapped by the crystal clear aquamarine water of the Aegean and Mediterranean Seas.

EXCURSIONS
Excursions include touring a local winery; visiting a local honey producer; cooking lessons using locally grown foods; eating delicious meals with the locals; visiting a goat farm and sampling goat cheese; visiting a local village; bathing in thermal waters, and swimming in the Aegean and Mediterranean Seas.

HOUSING
You will share lodging with other students in quaint apartments or hotels.
